2024 CVSA INT'L ROADCHECK

CVSA's International Roadcheck
Scheduled for May 14-16

International Roadcheck is a high-visibility, high-volume commercial motor vehicle inspection and regulatory compliance enforcement initiative that takes place over three days in Canada, Mexico, and the United States. Each year, International Roadcheck places special emphasis on a category of violations. This year, International Roadcheck will have two focus areas - tractor protection systems and alcohol and controlled substance possession.
